## “Mr. Moonlight”

New Children’s  
Album Out  
Now

**A**ward-winning local producer and dad Daniel Tashian kept his three little girls occupied (well, at least part of the time) during the recent coronavirus quarantine by creating a new, family-focused album with them. Tashian, best known for his work with music artists Kacey Musgraves, Brett Eldredge, Maisie Peters and others, wrote and recorded the just-released “Mr. Moonlight” with his girls Tigerlily (8), Tinkerbell (6) and Matilda (6) over a two-week

period. The release of “Mr. Moonlight” follows Tashian’s 2020 Grammy-nominated debut kids’ album, “I Love Rainy Days.” The new tunes on “Mr. Moonlight” aim to inspire a child-like wonder through weaving the nostalgia of *Sesame Street*, *Electric Company* and *Pink Panther* with the magic of the moon.

In addition to the new music, Tashian created “Mr. Moonlight” activity pages for kids featuring coloring sheets, kid-friendly sheet music and more. Make it a “Mr. Moonlight” afternoon with your kids one day soon: **Download the activity sheets at [shorefire.com](http://shorefire.com) (search Daniel Tashian) and stream/buy “Mr. Moonlight” so everybody can**
